

Experiential and Applied Learning Record

IUPUI has a rich history in experiential and applied learning. Through numerous experiential, applied, integrative, and engaged learning experiences, IUPUI students learn how to communicate information and complex ideas, develop innovative solutions to real-world problems, and embrace civic engagement and service in partnership with their local and global community. IUPUI validates all experiences and achievements presented on the Record using a formal and rigorous assessment process. Third party recipients who wish to verify the authenticity of the Record may do so by emailing a copy to usssevdv@indiana.edu. (Note: achievements reflected by semester may have occurred during only a portion of the semester.) More information is available at: getengaged.iupui.edu
